MAKING TRACKS

Allen County Public Library
Ft. Wayne, Indiana

Take my hand and now we'll span time's golden age of joy, and endless journey down memory's golden brick road.

Making tracks, over bridges and through dark tunnels not knowing what tomorrow holds but with these pictures our past is told.

Yesterday was very fun ... but think of that which has yet to have begun.

Never a fun moment did we lack while making track
Now without further adieu we present to you a book to keep and cherish too.

Homecoming

Although it was a damp, muggy evening, there was excitement in the air. Beginning the eventful evening was the Homecoming parade. As people watched the corvettes circle the track, they wondered who would be crowned queen. Would it be Kim Williams, Kathy Skimos, Jamee King, or Kim Dafforn? They were escorted, respectively, by Wes Jackson, John Sistervaris, Steve Wallen, and Curt Bragg. Other court members and their escorts were juniors Claire Martinez and Tom Sawyer, sophomores Nichole Williams and Cordell Brown, freshmen Shelley Todd and Derrick Garwood.

Although the damp weather straightened the crepe paper and flustrated the people who had put so much time and effort into creating them, the floats were still an impressive part of the parade. After the Marching Hawks finished performing the Star-Spangled Banner and the school song our team was ready to take on their opponents, the Wayne Generals.

During half-time came the moment everyone had been waiting for, who would be queen? Kim Dafforn had received the honor of being crowned by last year's winner Nachelle "Pookie" Offutt.

The heroic Hawks defeated the Generals to. After the game, the excitement continued at the Homecoming dance. Congratulations Hawks on a great game!

POWDER PUFF

"I felt we played like a team, although the outcome wasn't what we had expected. The seniors were really hyped up for this game. I think we are gonna just sit back and relax until next year." quotes Charity Nevius. On October 16, over fifty girls gathered on Harding's football field to see who had the best Powder Puff Team. The outcome was almost as all expected. The seniors won the big game by first defeating the sophomores 13-0, and then defeating the juniors 7-0. Although it was wet, muddy, and slippery the girls played a great game! Mr. Brown was quoted as saying, "It was the best Powder Puff game in five years. The girls showed a lot of class; there was no disciplining problems and everyone played well." Now that the seniors are gone who will win next year???????

Spirit Week

This year's spirit week was great fun for all. Everyone was enthusiastic about all the activities. The hustle & bustle of the week made it exciting for everyone who participated. Nerd Day was one highlight of the special week. Many people dug out their nerdiest outfit and that made for some great laughs. Even some of the teachers got in on the fun. Sports Day was also a fun day. The guys wore their football jerseys and the girls wore one of their boyfriend's football jerseys. Others wore their baseball uniforms or whatever they could find. The second spirit week was also fun and exciting. The Twist-off and sticker day were the two highlights of that week. All in all both weeks made for an exciting and fun time for all.

Pep-Sessions

The enthusiasm that was generated through pep sessions was extremely beneficial not only to the teams involved, but to all the Hawks. The atheletes involved felt good about themselves. This self-confidence instilled during the pep sessions led the Hawks to many victories. The student body profited from this enthusiasm by feeling united.

Hooray for HOLLYWOOD

This year for the spring musical, Ms. Nelson thought that she would try something different and have all three choirs participate in a show with singing and dancing. "Hooray for Hollywood" was a review of shows performed in the past thirteen years here at Paul Harding. "Guys and Dolls," "West Side Story," "Oklahoma," "Jesus Christ Superstar," and "South Pacific." were some of the plays you might have recognized songs from on May 15th and 16th. The choirs who were involved were accapella, madrigal, and show choir. Jamee King contributed her magnificent dancing abilities throughout the show, by being choreographer. She had the job of teaching over fifty students dances for small group numbers to full cast numbers. Although the show was a success the turnout was somewhat under expectations. "Hooray for Hollywood" turned out to be another great show performed on Harding's stage. Congratulations to the cast, crew, band members, Jamee, and last but certainly not least Ms. Nelson for a job well done!! Thanks for all your hard work!

AFRO AMERICAN CLUB

"The talent show as in the past, was a financial success. That makes the long hours and frustrations worth it. I am sure that the Afro club members and talent show members are proud to be able to get out, work hard and successfully raise money for as worthy a cause as the scholarship fund", states M.L. Brown. Many students took time out from their extra-curricular activities to see the show. Giving his true feelings about the show was Ebbie Clark, "The talent show was a little less than I had expected, but next year I will be up there trying to do something for the Afro Club." The audience was well pleased with the talent show; they seemed to enjoy the singing and watching the models the best. "The 'Body Rockers' and the 'Shades of Ebony' were very good and did an excellent job. The models were good also; all in all the talent show was good. The president and Mrs. Essix did a good job keeping us in line and getting us prepared", were many thoughts from Tony Chandler and Jeff Parker. The talent show was not all fun and games. The money that was earned goes toward a Shawn Harris scholarship, which is given to one outstanding senior Afro-American Club member. "The members of the Afro-American Club did a wonderful job in their dance groups, modeling, etc," states Mrs. Essix. "The '85-'86 talent show was an experience never to be forgotten. The modeling and dance groups did a very good job," reveals Cindy Smith. All the students who participated in the talent show spent a great deal of time working on their performances, and it all paid off in the end.

Give the Class of "86" any chance they will take it. Read them any rule they'll break it. They're going to make their dreams come true. They're going to do it! Straight ahead and on to college now, nothing is going to turn them back now. They're going to do it their way. Yes, their way, make all their dreams come true.

On May 31 the Class of "86" began making their dreams come true. After four fun-filled, sometimes frustrating years at Paul Harding High School, the seniors graduated. Even though it was very warm in the gymnasium, everything went well. Laura Michnay (valedictorian) and Tim Lebrecht (salutatorian) did an excellent job on their speeches. After the band finished playing their selection and Dr. Michael Benway accepted the graduating class, came the time that the graduates had all waited for, receiving their diplomas. With much pride, the Class of "86", begining with Devin Abernathy and ending with Krisy Zapp, received their diplomas. After the ceremony was over, the graduates marched out carrying their diplomas proudly. Best wishes Class of "86"!

Student Congress has experienced a tremendous year with the return leadership of President, Steve Wallen; Vice-President, Nicole Disque; Sec., Debbie Stark; and Tres., Kim Dafforn, all of which have been on the Executive Board for two consecutive years. These leaders have guided the school in a wide variety of areas.

The Fort Wayne community has been helped this year by our Student Congress. They have sponsored a Blood Donor Day and have given a much appreciated Christmas party to several patients at the Fort Wayne State Developmental Center. Giving of oneself is a major goal the Student Congress has achieved this year.

Filling up the social calendar was high on the Student Congress list. Activities from Homecoming to the Prom have enriched the lives of many students.

It's a story of a lovely lady (Mrs. Schnelker) who was busy teaching twenty very creative writers. All of them had deadlines like their teacher, all helping one another.

It's a story about a paper called the Quote which was published bi-monthly right on schedule. It took a lot of dedication and working together, they couldn't do it all alone, till the paper was all layed out and completed they knew they couldn't rest. Even when the paper was printed, the work was not all done. The staff still had to distribute and begin all over again. That's the way we Rob Gray, Nol Beckley, Dean Schmitz, Neil Campbell, Mike Marker, Randy Henry, Carleton Harris, Byron Dickerson, Tracey Haworth, Denise Adamonis, Brenda Jacquay, Bonny Korreckt, Kristy Zapp, Wendi Wickert, Scott Rysiawa, Thom Dawson, Brad Brooke, Tim Mead, Steve Wallen, and Tammy Middleton became the Quote staff.

This year's yearbook staff included various personalities ranging from the multi-talented Chris Custer to various powder puff stars and coaches of the class of "88" such as Charity Nevius and Mike Evans. The fearless leader of this rambunctious group of young terrorists is Jason Heredia. Being a scholar well-traveled and quick-thinking young man; he was therefore selected to command the yearbook forces. The advisor, Raisa "The Shackles" Schnelker, an unknown career woman, decided to dedicate her services to the insane yet efficient yearbook crew. The bright, innovative ideas of Janette Shappell added a spark of life to the staff. The youthful provocative, often cheerful thoughts of spunky Tammy Freimath kept us going through all our minor catastrophes, although at times our computer "experts" Tammy Middleton and Julie Henley felt like putting the computer out of its misery by throwing it, they had a great time typing the names in the computer, especially on the third time. This combined with the typing talents of Yalonda Flynt were very much appreciated. The stylish and ambitious talents of Melissa Macias along with the rebellious yet laid back style of John Banks, plug the quiet hard working Kim Smith the socially active Stacie Bray added to the opionative Dean Schmidt, the ad man — Scott Rysiawa and two new members, Twyla Snow, Debbie Jacobs, Tonya Anderson, and Kara Schilling and last but certainly not least the caveman qualities of Neil Cambell. Last but never least there is Jacey Frazier who added not only fun but also great entertainment. These people always had their part in this well oiled machine. As member of the yearbook staff, I believe these two, Jason Heredia and Raisa Schnelker kept us busy with the pleasure of being a part of Paul harding publication of this caliber.

Soccer Club

This year, the soccer club had an outstanding winter-spring season. There were two sessions during the indoor season. The soccer club went 10-0 in the first session and 5-5 in the second part. In the Winter Cup Tournament, Harding was just barely edged out by Snider in a shootout after overtime.

During the regular outdoor season Harding's record was 4-4. The soccer club beat Northrop 4-0 in the first round of the tournament. The Hawks lost to Luers only 2-1 in the second round.

The soccer club will be losing three seniors, Jerry Barrantes, Shannon Planck, Javier Garcia (an exchange student), and Pong Homsab. The soccer club would like to thank the coaches, Rocky Planck and Jerry Freeze, and their club sponsor, Mr. Wilson. Good Luck Next Year!

Pom & Corps

Many hours of practicing and practicing is what the pom corps do before a performance. They performed at most of the basketball games, and usually with a different dance routine everytime. The captain, Lisa Ledonne, comes up with some of the movements with the help of a few others in the squad. The group is very talented, but because much of their time is taken for poms, they find that free time is hard to come by. Practice makes perfect for this group of young, talented girls.

Golf

In 86, the boys' golf team continued to be one of the finest squads in the area. Finishing with an over all record of (12-6) and a first place finish in the East Allen County Schools tournament, the Hawks wrapped up one of the best seasons the school's history. Junior Mike Marker commented, "Our team is able to win a lot of matches because we are all pretty even in our abilities, and we go six players deep." Varsity golfers Jeff Haley, Jeff Steininger, John DeGood, Brian Hiltunen, Mike Marker, and Tim Pieper anchored the team and the reserve team also showed moments of brilliance. With all four lettermen returning for next year's squad, the Hawks should be able to do very well in '87. Under the leadership of Coach Rick Hemsoth, the guys have been able to improve, and the outlook keeps looking better.

Football

The Harding High School football team had a season to remember this past season, until losing to the state runner-up Hobart, in semi-state. The team started the season with a loss against the Dwenger Saints, but quickly got back on track by beating the Elmhurst Trojans 32-14. The team finished the season at 4-4 and went into the play-offs with high hopes. "The team gained confidence after the win over New Haven," said junior John Banks. The Hawks beat the Bulldogs 19-7, to move on to the second round of sectionals. After winning sectionals over Logansport (29-22) the Hawks avenged a loss earlier in the season by beating the Saints 14-6, and was one of twenty teams playing in Semi-State. The highlight of the season came when the Hawks played number one ranked Hobart. The Hawks played an excellent first half of football, being tied (7-7) at half-time. Finally losing to Hobart (7-26). Congratulations guys on a good year!

CROSS COUNTRY

This year both the boys' and the girls' cross country teams, led by coach Larry Yant, made it to regionals. Virginia Graham (Junior) went to State again and placed thirty-seventh. Both of the teams were young this year. The girls only had two seniors, Theresa Johnson and Linda Hardy, half the team were all rookies. The boys also had two seniors, Jerry Barrantes and Tony Hammilton and seven of the thirteen were rookies. The boys' led by Randy Henry and Tim Freeman both named MVP of the team. The girls led by Virginia Graham who placed in the top five in every meet. Come next year we hope to see a better season from a more experienced and confident team. Good luck!!

GIRLS' BASKETBALL

With the loss of four starting seniors from last year's team, this year's girls went through a rebuilding period. Although the team did not live up to their expectations, they are looking forward to a winning season next year. With the help of new staff member, Jeff Kline, Harding's girls' basketball program was guided in a new direction. With his help this year's team paved the way for the program's future.

BOYS' BASKETBALL

The 1985-86 Varsity basketball Season was supposed to be a rebuilding year, but as in the past, the pride of the Hawks came through as they posted the third best record in the SAC, 13-9 record. Junior, Syl Golden's outstanding outside shooting, the interior play of 6-8" sophomore Craig Riley and the ball handling and shooting of junior Duan Cole and senior Curt Bragg and Ryan Oetting made the Hawks a good basketball team by tournament time. Rolando Haywood was a defensive specialist and Seniors Jeff Trier and Bob Hallgren and Junior Davis did a good job backing up the front line. Syl Golden's 37 points against Bellmont and Curt Bragg's 16 assists were probably the top individual performances during which the Hawks defeated Bishop Luers in the sectional (66-58) before losing to Snider (46-44) in the semi-finals.

Girls' Track

In 1986 the Lady Hawks track team faced adversity and some of the best girls' track teams in the state. Injuries and senior defections left the Hawks with a small inexperienced group. Even though only 17 girls made up this year's squad, they still finished 7th in the SAC and had an overall record of 4 wins and 10 losses.

The team was dominated by Juniors and Freshmen this year, which should be a good omen for the future. Diane Topp continued her assault on the record book by breaking her own school record in the shot put. Diane also became SAC discus champion with a best throw of 120'8". Also running and doing well for the Hawks were Danyetta Stubbs, who was 5th in the sectional 200, Jene Adams who placed in the SAC 400 dash, and Jana Williams who was a sectional qualifier in the long jump.

Next year it looks like it could be one of the best in recent years for the Hawks. These girls, with the return of hurdler Melissa Lomont and several good Freshmen could be as good as anyone in town!

GYMNASTICS

This year was not an all around productive year, the team had no wins and lost a very close bout with Heritage and Southside teams. In taking all this into consideration, the entire team put in a great amount of effort. This helped to show that improvement was their greatest satisfaction of all. The team has come a long way in sharpening their skills and making for a better team, proving that attitudes can achieve any goal ever set.

Girls' Tennis

Although we had an awful season, quotes Gail Hutter. We did have fun; and we will be better year because of the experience. Look out Homestead. Girls' tennis had an over all good season. We asked Jodi Perkins what she thought of the season, and she said the tennis team will definitely do better next year. "We might not win against Homestead but we're going to get them!" Jolene Hudson included, "even though we didn't have that many people try out this year, we still had a good season." I hope we have more people try out next year.'

Powerfully hitting the tennis ball is Elizabeth Chrisman.

Cheerleaders

In June the ladies attend a camp at Vincesses University where they make new friends and learn new cheers. After returning from camp, they practice the new cheers during July and August.

Beginning in August, they start their season by cheering at the football games. No matter if it is football, basketball, tennis, wrestling, track, volleyball, or baseball the cheerleaders are cheering their team on to victory.

This year the ladies took part in a contest held at Southtown Mall for all area high schools' cheerleaders. Our cheerleaders received second place. Congratulations ladies on a fine performance!

Thank you ladies for all the hard work and long hours that is spent in learning cheers and motivating the student body to support their teams.

TOMORROW'S TREASURES

Be them tall and big or even small there is something special in all, each in a different way, maybe because they remind us of this or that special day.

Priceless treasures that can never be stolen and that will remain forever golden.

Tomorrow will dawn another day, for yesterday is gone. There are many ways to remember it by word or song, pictures being one of the best by far.

Either way the melody will ring on in each and every heart forever more with thanksgiving that we are able to say "Do you remember those good ol' days?"
